

Oppo Reno 8

The Oppo Reno 8 is a mid-range Android phone that balances good performance with a sleek design and solid camera setup. It has a 6.43-inch AMOLED display with Full HD+ resolution and a 90 Hz refresh rate for smooth scrolling and vivid visuals. Under the hood it's powered by either a MediaTek Dimensity 1300 chipset (5G-enabled) or a Snapdragon 680 in some regional variants, paired with up to 12 GB of RAM and up to 256 GB of storage. On the back there's a triple camera system led by a high-resolution main sensor supported by ultrawide and macro lenses, and a 32 MP selfie camera up front for sharp self-portraits.
