

Realme GT 2

The Realme GT 2 is a solid mid-to-high-end Android phone that focuses on speed, smooth visuals and long battery life. It has a 6.62-inch 120 Hz AMOLED display with bright colors and sharp resolution, powered by a Qualcomm Snapdragon 888 5G chipset paired with up to 12 GB of RAM. The camera setup on the back is led by a 50 MP main sensor with optical image stabilization, supported by ultrawide and macro lenses, and a 16 MP front camera handles selfies. A 5000 mAh battery with 65 W fast charging lets you get a full charge in about 30–35 minutes, and the phone runs Android 12 with Realme UI 3.0 for a clean and responsive experience.

Category	Specification
Launch & Software	Launched early 2022 with Android 12 and Realme UI 3.0 out of the box; software may receive updates depending on region and Realme's support.
Body & Build	Dimensions: ~162.9 × 75.8 × 8.6 mmWeight: ~194 gGlass front (Gorilla Glass 5), plastic frame and backColors: Paper White, Paper Green, Steel Black, Titanium Blue.
Display	6.62-inch AMOLED touchscreenResolution: 2400 × 1080 (FHD+)120 Hz refresh rate, HDR supportPeak brightness up to ~1300 nitsCorning Gorilla Glass 5 protection.
Processor & Performance	Qualcomm Snapdragon 888 5G (5 nm) CPU: Octa-core (up to 2.84 GHz)GPU: Adreno 660Memory: 8 GB / 12 GB RAM (LPDDR5) Storage: 128 GB / 256 GB UFS 3.1 (no microSD).
Rear Camera	Triple camera setup:• 50 MP main wide, f/1.8, with OIS (Sony IMX766 sensor on many variants) (Realme)• 8 MP ultrawide • 2 MP macro Features: LED flash, HDR, panoramaVideo: Up to 4K @ 30/60 fps , 1080p up to 240 fps.
Front Camera	16 MP selfie camera, f/2.5Video recording up to 1080p @ 30 fps; HDR support.

Battery & Charging	5000 mAh non-removable Li-Po battery 65 W SuperDart fast charging (about 100 % in ~33 min with approved charger)
Connectivity	5G (SA/NSA), 4G/LTE, dual-band Wi-Fi, Bluetooth 5.2, NFC (region-dependent), GPS, USB Type-C.
Sensors & Security	Optical under-display fingerprint sensor, accelerometer, gyro, proximity, compass.
Audio & Extras	Stereo speakers; no 3.5 mm headphone jack.
